INVITATION LETTER: Darina Krotova

We hereby confirm that you, Ms. Darina Krotova, born 22.03.1990, is given admission at the University Centre in Svalbard for the autumn semester 2014. You are registered for courses within Arctic Technology. You will need to arrive in Longyearbyen 25 August at the latest. The exam in your last course will be at the end of November 2014. In relation to your planned studies at UNIS it is my great pleasure to confirm that you have been granted an exchange **scholarship for 4 months** during the autumn semester 2014 for studying at UNIS. You will also receive a travel grant.

The Fellowship Programme for Studies in the High North forms part of the Norwegian Government's High North strategy. Knowledge generation and cross-national cooperation are central dimensions of this strategy, and the programme is intended to make a contribution to both areas. The direct aim of the Fellowship Programme is to enable students from the most important countries with whom we cooperate in the High North to take parts of their studies at institutions of higher education in Northern Norway.

For the autumn semester 2014, the rate is NOK 9440 per month. Travel support is also provided at the rate of NOK 9440 per fellow. The money will be transferred after you arrive at UNIS. Please bring with you a valid passport for identification. For students staying at UNIS for more than 1,5 months, it is advisable to apply for a Norwegian ID-number and then open up a bank account in the local Norwegian bank. This can be done after arrival in Longyearbyen.

Accommodation is arranged through the Student Welfare Organization in Longyearbyen and the student needs to apply for this independently.

You will need to apply for a multi-entry visa.

Passport nr. : 64 8611274

Date of expiry: 09.07.2018

Welcome to UNIS and Longyearbyen in the autumn semester 2014.

Best regards,

Elise Strømseng

Acting Head/Student adviser
